

Insurance

The customer shall insure the equipment under their farm policy in the event of a natural disaster or theft.

Use

Customer may use seed equipment for any seed products. We ask that the customer does not use of feed in Seed Equipment to reduce exposure to Molasses and Salt which could damage paint and increase wear and tear.

Products that can be placed in Stonypoint Seed equipment:

- Corn Seed
- Soybean Seed
- Wheat
- Milo
- Cover Crop Seed

Site Prep

Any concrete or power that the customer desires to run for conveyor is at the expense of the customer, the conveyors require 220.

Customer agrees to place equipment in a place where semi-truck can easily access bins.

Purchase of equipment

Customer's may purchase equipment after 3rd year of working with Stonypoint Seed. This is to allow us to recover the cost of the initial purchase of equipment.

I hereby understand the terms of this contract. It is binding for the time I choose to do business with Stonypoint Seed. I agree to purchase minimums and agree to have my purchases made by date above.
